“Let’s Go yes!!! It’s freezing here in Tennessee and we’ve had so much snow here this winter now that I think I’m living in a northern state (lol)! Wish we were there with you in Florida as you got us so jazzed today! Terry and I are talking about trying to be out in Vegas for the upcoming show next month. Are you coming to Chattanooga or our state anytime soon?”

“Great show today Careys, I spend a lot of time down in Fort Lauderdale with my job, and it was fun to hear you talking about the area. I love Gulfstream Park and all the shopping there! You covered so much from Miami to Palm Beach and I’m looking forward to being back there in early March again!! This tour is really great you guys and wonderful all the places you go.”

“I listen every week and many times more during the week too on my routes as I’m an Amazon delivery driver. I just love your show and all the things you cover and I’ve heard every one of the places you’ve visited on this Let’s Go America tour and love how you’re showing the way and traveling during the pandemic. San Antonio is my favorite as I grew up there, but they’ve all been distinguished and you have me excited to visit Miami sometime soon to bask on the sunny beach.”
