“I feel fortunate to live in North Carolina where we have wonderful golf courses, but my buds and I are always looking for new places to travel to golf, and hearing you talk about Cape Cod National and all the courses up there got my attention and after checking into it some more, wanted to let you know I see a late Summer or Fall road trip up there to check it out! I had never thought about that area for golf or knew much about it until hearing your show today. Thanks for giving us a new place to go! Travel on Careys!!”
