*"Having Robert & Mary broadcasting with us here at Canopy Portland Waterfront is an experience I'll always remember! Their kindness, energy and passion they bring toward the show and the destination is contagious! It was a pleasure to speak about Portland and the property and share with listeners across the USA all the fun there is to be had here in Maine. I am thrilled to know that the show has reached so many people who are now anxious to share in the Maine experience that Mary and Robert and guests' shared so positively. I wish I could have them here at the hotel monthly!"*

“I think you may have the best job in the whole world, getting to travel and meet all the people that you do and do all the fabulous things that you do. Can't wait to travel to the next place and the place after that and after that!”

“You stirred so many emotions when I listened today as I summered with my grandparents at their tiny saltbox house just outside Portland in Higgins Beach. I haven't been back in probably 20 years, but I told my wife while listening that we need to go back next summer. Thank you for the great show you do, it's always a good time listening. Hope you'll come here at some point, we'd love to welcome you in SC!”

“My wife and I get up to Maine regularly as she loves to shop, I like antiques and we both love boating and beaches. You definitely hit covered so much in 2 hours. These tours are great, I loved when you were out on The Cape, and now being up in a place we hang a lot was fun to hear! Will Boston ever be a place you look to hit? We have it all here and it would fit your show real well...”
