... live from coast-to-coast, border-to-border and around-the-world on TuneIn ...

"Here on the Island of Hawaii at Hilton Waikoloa Village, we were grateful to host Robert & Mary this week and share our special paradise with their influential audience of travel planners and those who enjoy learning about travel! Robert & Mary were genuinely gracious and kind in their interactions with our team and made it a true pleasure to work together. From initial planning to the live broadcast to post-show follow-up, the entire RMWorldTravel team have been incredibly professional and a joy to work with. For our resort and island, the wide-ranging interviews and opportunity to spread the word about our team members, services and amenities are truly appreciated. We look forward to welcoming you again one day!"

“I have always wanted to get to Hawaii, and figured eventually I'd visit Honolulu and maybe Maui, but now after hearing your show today, you have me looking up things online about the Big Island and I had no idea all that it offered. Would you suggest knocking out Oahu or Maui for the actual island of Hawaii? Great show today, you had me as soon as the music started, and love Macadamia nuts!!”

“After Maui last year and the Big Island this year, I told my hubby we need to get to Hawaii in some fashion either by cruise or plane before we die! I love that you crawled through lava tubes, and the culture I find fascinating and want to learn more about. Thanks for such a full show, the Hilton Waikoloa Village sounds like some place, I looked it up and it has great reviews!!”

“We winter in Oahu each year, and have traveled to once each to Kauai and Maui, but never the Big Island, so it's great you've given us our travel plans for this winter as we're definitely gonna try to get there sometime in January or February and check it out ourselves! Thanks also for covering our city of Anchorage last week with the bush pilot, my Uncle flies us here as a bush, come give us a visit again!”

“We went to Hawaii for a work convention back in 2009 and said we'd be back but haven't made it. I loved listening to your Hawaii broadcast today and my yearnings are up and now hope to make 2023 the year we're back! Had never considered the Island of Hawaii, we've only been to Honolulu, but from what you shared it sounds like that's the place to visit? Let us know, try to listen to you each week on News Talk Radio 640 before church, but when I can't, I always get you on your website driving to work....”

rmworldtravel Aloha! From the Big Island - the Island of Hawaii. It's the largest in the Hawaiian chain of islands with 5 volcanoes, more microclimates than most places in the world, black lava fields, some of the best deep sea fishing anywhere, stunning topography and the pure spirit of Ohana.
