“As a travel advisor I work with many cruise lines, and can attest that the experiences you shared being on-board the Seabourn Ovation is equally matched with the level of service and support that I come across for my clients when working with them to book and manage travel. They are one of the best I work with. Today’s show from Palma de Mallorca was wonderful to hear, so cool you could do it from a ship! You covered so much...”

“Living here, I was proud that you brought your wonderful program and tour to our part of the world in October and thought you did an excellent job presenting the Island of Hawaii where we go often as flights deals make it easy, but we’ve never cruised in our 58 and 49 years on this earth. We’ve been thinking about visiting Canada’s western coast next summer, after hearing today’s show, I went to Seabourn’s website and we’re looking at a cruise with them in South America instead. Thanks for all that you do, we want to be you when we grow up :) :) really enjoy listening to your show. Mahalo!”

“Your show is most enjoyable to listen, as you cover so many areas of travel, tourism and hospitality. I am never bored!! We’ve taken 4 cruises out of Galveston, but never with Seabourn. You opened my eyes today to the level of cruising available with them, and enjoyed hearing your guest talk about Siena and Tuscany. Very alluring. We’re ready to cruise again, thanks for a great show and love your big tours...”

Day 4 of 7 is today on RMWorldTravel's big "Let's Go America! Tour" - Mediterranean Cruise, and we arrived in Marseille aboard the Seabourn Ovation as the sun began to rise over the city. A beautiful sight and perspective that that only a cruise ship can provide! Once in port we spent time venturing around Marseille and then went to the lovely town of Aix-en-Provence, birthplace of famed artist Paul Cezanne. We will be sharing our experiences from both locations when we broadcast America's #1 Travel Radio Show live from Palma de Mallorca aboard the ship this Saturday. Join us from 10a-12p ET via 1 of our 495+ weekly affiliates or via the live stream on our website. And be sure to share your comments and what areas of the Mediterranean you enjoy with us on our FB, IG, LI and TW social platforms. Day 3 on RMWorldTravel's big "Let's Go America! Tour" - Mediterranean Cruise took us to the island of Corsica. We spent around 4 hours off the Seabourn Ovation exploring Sartene, a quaint mountainous community that dates back to medieval times — and some other surrounding areas as well. Join us as we broadcast America's #1 Travel Radio Show live from the ship in Palma de Mallorca this Saturday from 10a-12p ET via 1 of our 495+ weekly affiliates across the USA or through the live stream on our website at www.RMWorldTravel.com. We'll be sharing our travels this week in Italy, France and Spain with a mix of top guests and members of crew too! [Seabourn](#) [#travel](#) [#corsica](#) [#LetsGoAmerica](#)

Today is Day 5 on RMWorldTravel's big "Let's Go America! Tour" - Mediterranean Cruise and we're in the coastal French town of Sète with the Seabourn Ovation. Part of our day was spent relaxing in the very special and private "Retreat" on Deck 12 of the ship and indulging in the spa linked with Dr. Andrew Weil on Deck 10. The late afternoon and early evening was all about exploring the town sometimes referred to as "Little Venice of Languedoc"... Tomorrow we'll be in Spain, tune-in on SAT from 10a-Noon ET via 1 of our 495+ weekly affiliates across the USA as we broadcast America's #1 Travel Radio Show live from Palma de Mallorca...
