“...We are regular listeners here in the Cleveland suburb of Independence and I wanted to share we really enjoyed the broadcast today from Orlando! We’ve been many times with our family but haven’t gotten back the past 3 years. Epic Universe sounds EPIC!!! We can’t wait to go, and during all of our visits we’ve never done the Orange groves but will check them out next time we’re down there. We’ve walked by Wine Bar George at Disney Springs at least 5x’s but never went in, that will definitely change after hearing you had such a great time there! Can’t wait to hear about the next place you go!”

“Let’s Go America in Orlando is like apple pie and hot dogs (lol)! Sorry I couldn’t help myself, just wanted to say I really enjoyed your show today, had no idea Orlando is adding 1500 people a week, that’s incredible! We always do Icon Park when we’re there at night, and definitely going to hit Epic Universe once the first wave passes!”
